Aug 15 - 1967

Dear Mr. Weisberg:

Here is the Free Press Editorial of July 16 1967 I wrote to you about. Coming as it did in the midst of the New Orleans investigation I regarded it as an attempt to build a storm shelter for the day when the CIA can no longer hide behind Oswald. The information contained in the Editorial is old stuff. When the U.S. began to dismantle its missile bases in Turkey shortly after the Cuban affair I concluded it was quid pro quo in the deal between Kennedy and Kruschev on the Cuban missiles

the timing of the NBC tape
telecast of the Kruschev
interview followed by this
editorial in the Fort Worth
indicates to me that a
planned attempt by the
media to turn the people
against Kennedy is being
readied for that day when
they can no longer blame
Oswald for the assassination;
the line will then be that
Kennedy had betrayed the
Country by agreeing to a
Communist government in
Cuba and this had imperiled
the safety and security of
the U.S. and whoever killed
him (I doubt if they will admit
it was the National Security
Council or the CIA) had done

a patriotic service to the Cause of his Country and deserves the gratitude of the entire Country.
